

Le pochon tricot Taille Unique

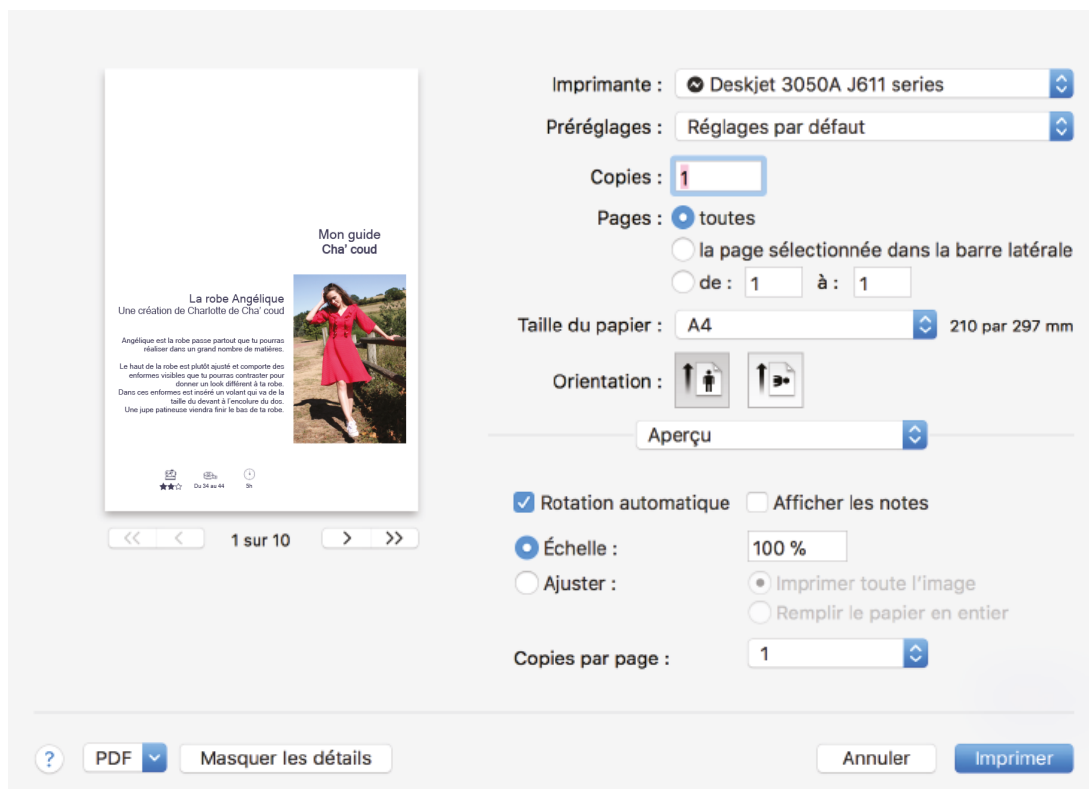

Toutes les marges de couture sont incluses et visibles sur le patron.

Carré test
5x5

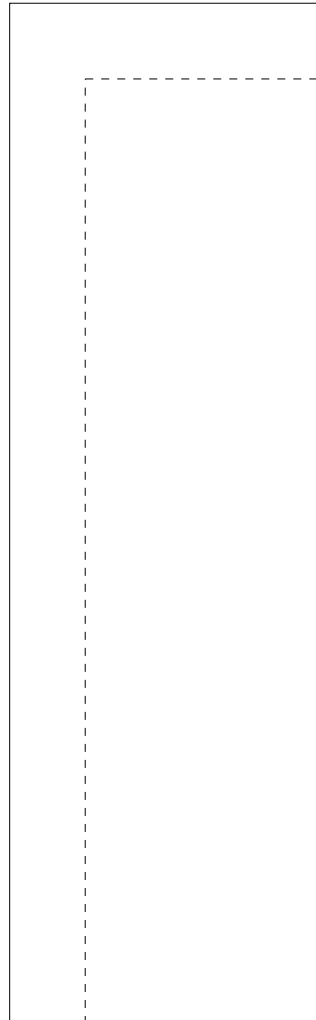

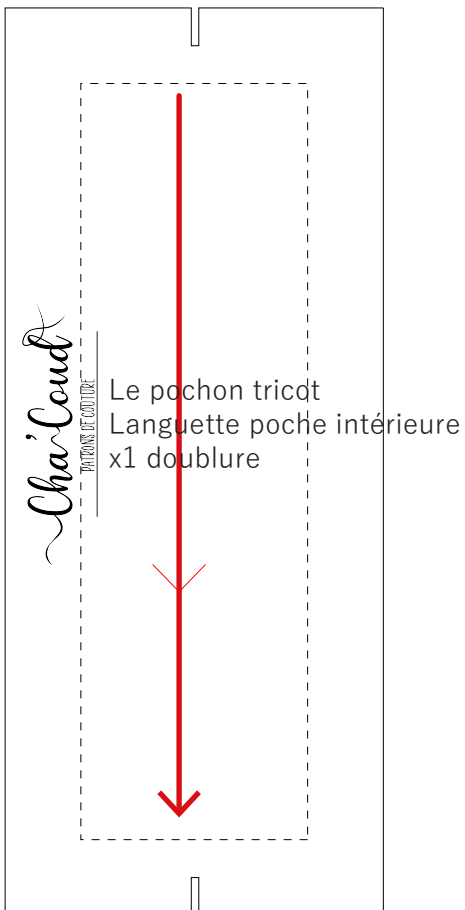

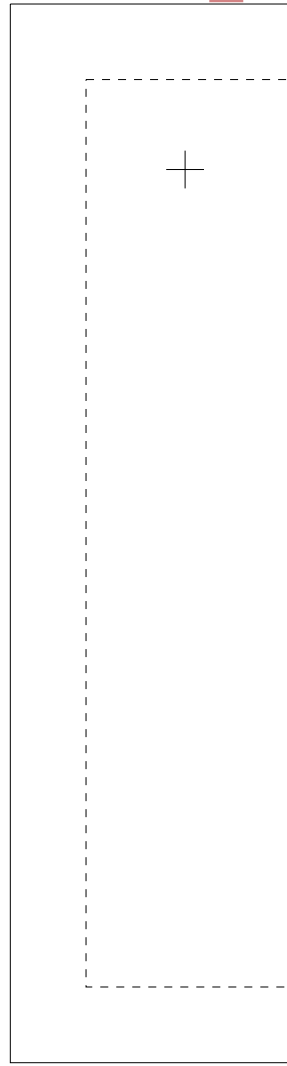

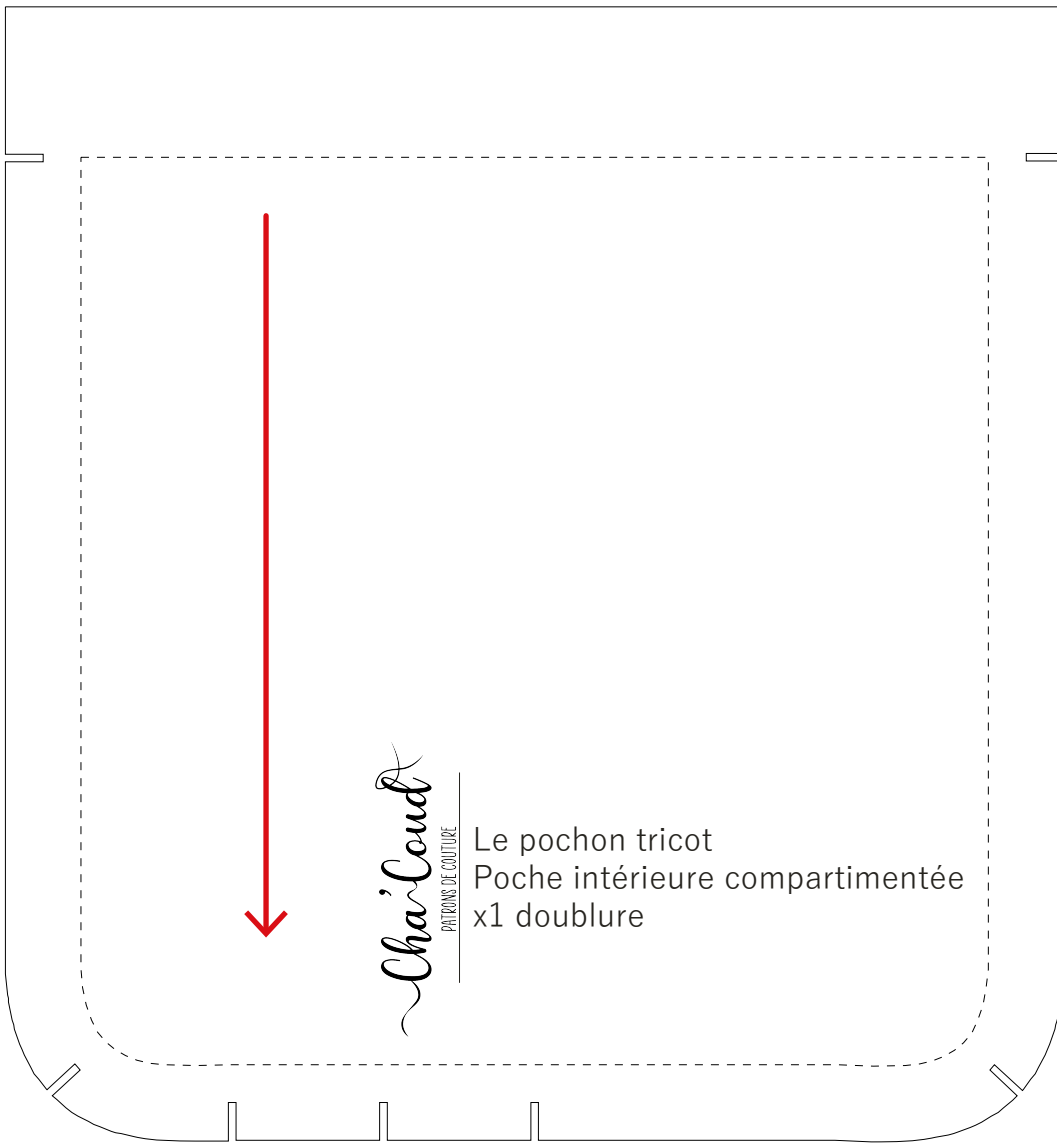

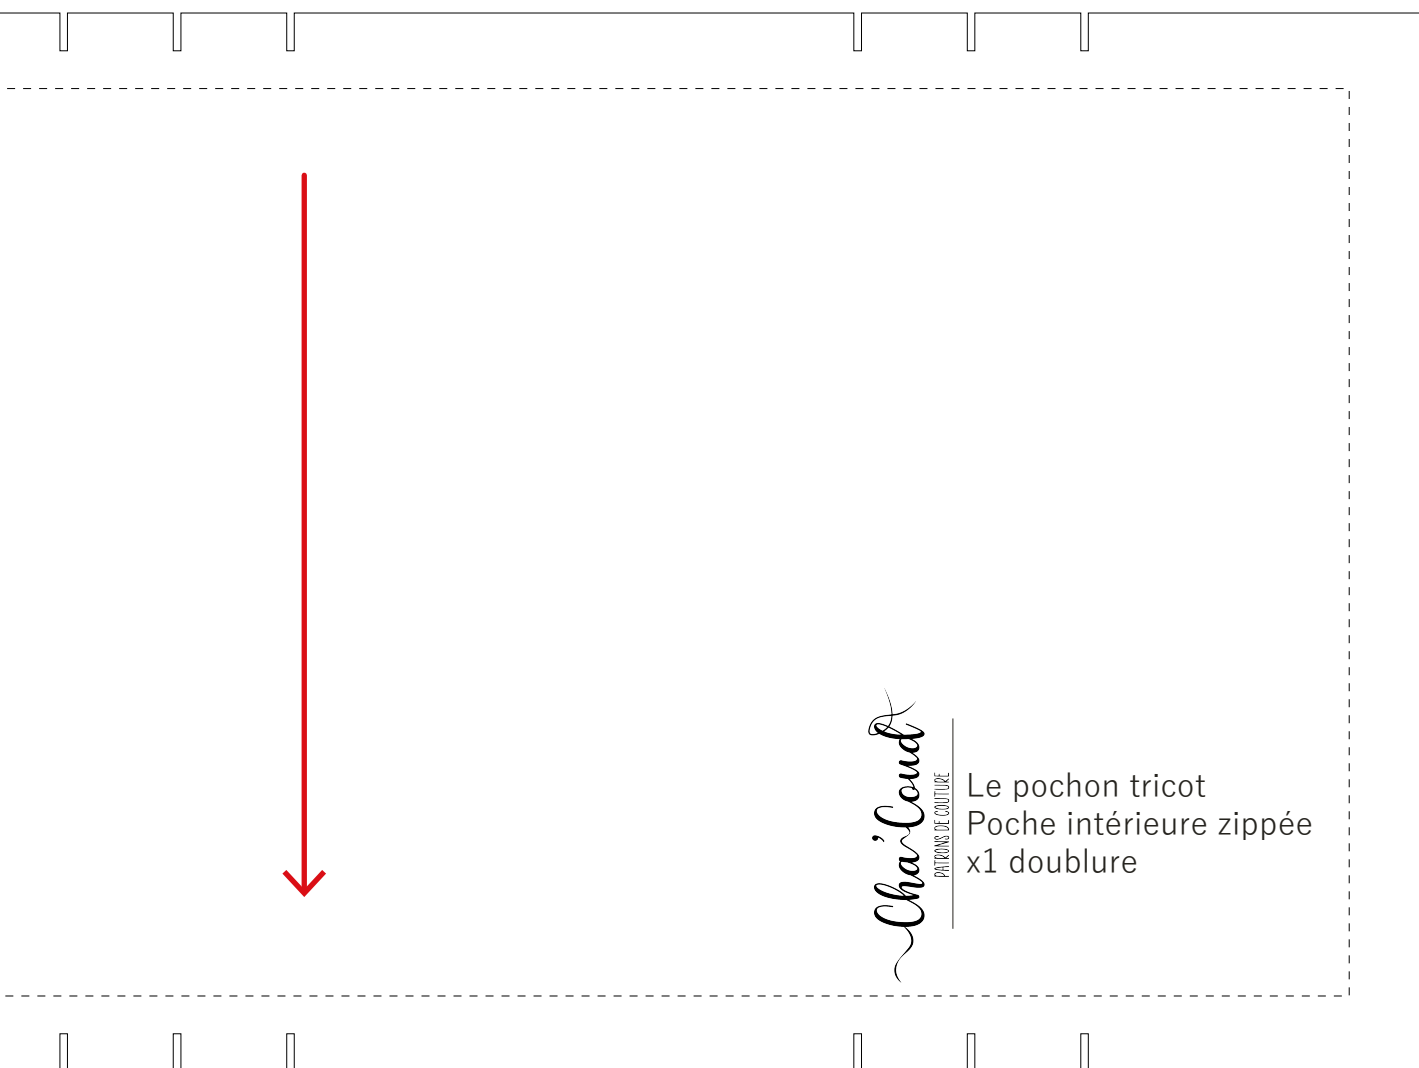

Imprime ton patron en respectant l'orientation et la taille des pages.

Sur la première page de ta planche patron, tu retrouves la légende ainsi qu'un carré test de 5cm x 5cm pour valider ton échelle.

Les feuilles doivent être scotchées bord à bord, ne pas tenir compte de l'interruption des lignes due aux marges d'impression, tu peux les relier à la main.
